RefreshMint's® unique blend of natural spearmint, menthol, witch hazel and all-natural grain alcohol forms a refreshing, stimulating body wash and brace. When mixed with water, RefreshMint provides a brisk, cool tingle to refresh your horse. RefreshMint cuts through tough dirt and sweat without soaps and leaves your horse's coat clean and shiny with no residue. As a brace, RefreshMint is mild enough to use full strength under a porous wrap.

DIRECTIONS FOR USE:

Body Wash: Mix two ounces of RefreshMint with one gallon of water. A daily wash helps horses cool out and stay supple.

Brace: Apply full strength to affected areas. RefreshMint's mild formula will not blister under a porous wrap.
