

ABSORBINE®

The Horse World's Most Trusted Name®

The Absorbine® UltraShield® Fly Mask uses durable high-tech fabrics and comfort fit features to provide the ultimate protection against insects, the damaging effects of the sun, and dirt/debris while keeping horses cool, dry, and comfortable.

- Ears – Made from a sport knit commonly used in football jerseys, this fabric is lightweight and breathable, offers protection from the sun, and is known for its soft feel and durability
- Crown & Jowl – Made from a diamond knit commonly used in warm weather running apparel, this soft fabric wicks away moisture to keep horses cool and dry and features 2-way controlled stretch for a comfort fit
- Face – Made from a highly durable woven mesh, this material blocks 80% of harmful UV rays, reduces heat transfer and solar glare, and allows air to pass through to keep horses comfortable

Wicks away moisture to keep horses cool and dry

Extended fabric behind the ears gives extra protection

Structured eye darts keep the mask away from eyes

Mesh blocks 80% of UV rays and reduces solar glare

Lightweight, breathable, and durable

Double-locking hook and loop closure keeps the mask secure

Machine wash and line dry.

CAUTION: Vision may be impaired during rainstorms.
